

Coollest misting system around!

Super silent 4 blade, 3 speed, 6 nozzle misting ring, axial fans for large patios

Tangential fans with 2 or 4 nozzles for narrow patios

Totally concealed misting lines (if required) with nozzles that will not drip nor wet the air, floor, family, friends ... not even the family dog!

Remote control

Pump automatically adjusts misting frequency in line with ambient temperature. Super silent pump (50db's and 900 rpm) lowest in the industry with 10-year warranty!

Made in Italy for the discerning few who appreciate quality above all else!
